This beautiful 3 bed, 2 bath Lillian Custom Home has been immaculately maintained!! Inside you will find a split bedroom layout with an open concept kitchen and living room featuring a cozy fireplace, as well as a formal dining or office room for flex space! In the backyard, the sellers added a relaxing covered pergola as well as easy upkeep landscaping. But there is plenty of plushy grass for the pets still and the Holland Lake Trailway is just minutes from the front door. This home is a must see, pride of ownership is evident!!
